Net weight	–
Packaging sizes	Structure: 26 x 23 x 31,3 cm Glass: 23,7 x 23,7 x 31,7 cm
Number of packages	2
IP	20
Class	II

“The only way to deceive gravity is balance” MDL Table lamp in two sizes distinguished by the opaline blown glass diffuser that seems

to float in the empty space. Leaning on a steel structure in a magical but stable and secure balance, it diffuses a soft and enveloping light.
