

Newton

Franco Raggi, 2017

Product Code	● FR-007PM-RE-
Typology	Diffused light pendant lamp
Color	Red
Size	1135 x 1050 mm
Material	Steel structure. Metallized borosilicate glass spheres
Use	Indoor
Light source	5 Led boards
Watt	5 x 10W
Volt	24V
Lumen	2400
Cri	80
Kelvin	2700
Emergency	No
Cable	No
Dimmer	No
Energetic class	A++
Gross weight	-
Net weight	-
Packaging sizes	-
Number of packages	2
IP	20
Class	II

The image of the kinetic energy that is transmitted invisibly across the five shiny balls when the impact of the first ball moves the last while the others are still, has always fascinated everyone.

Newton is a lamp that pictures this moment in time and space, with its light coming down from within the chrome and transparent glass balls.
